- (b) the Website and/or an Online Auction has any particular technical performance, stability or capacity, or there will be uninterrupted continuous access available for you to the Website and/or an Online Auction. The Auctioneer accepts no responsibility or liability for Loss arising from or related to any down time or failure of the Website or an Online Auction; and
- (c) any particular record or information you provide to the Auctioneer will be preserved over time, or the Auctioneer will be able to prevent or become aware of any illegal or inappropriate use of the Website or an Online Auction.

5.3. The Auctioneer accepts no responsibility or liability for any manufacturer's warranty that may accompany any Lot you purchase and you are responsible for contacting and dealing with the manufacturer directly in relation to any such warranty or Claim.

5.4. The Seller has warranted to the Auctioneer the Seller has good title to the Lot or has the proper authority to sell the Lot, and the Auctioneer has relied upon such warranty in selling the Lot but the Auctioneer makes no warranty as to title or encumbrances.

### **Retail Prices**

5.5. You should make your own enquiries about the value of a Lot and must not rely on any manufacturer's recommended retail price, manufacturer's original retail price or comparable retail price for a Lot, whether on the Website, in a catalogue or attached to any Lot ("Retail Prices"). Retail prices do not represent our estimate of the value of a Lot or the price that buyers have previously purchased items similar to or the same as the Lot.

### **Inspections**

- 5.6. (a) All Lots have a formal inspection period.
- (b) During this time potential Bidders are able to inspect all the Lots.
- (c) It is a Bidder's responsibility to confirm this period and utilise this time to satisfy themselves as to the condition, nature and authenticity of a Lot and accept the same with all faults, latent or patent.
- (d) Inspections are essential and will be deemed to have been taken place in all cases irrespective of the type of Auction.

### **Faults and Misdescription**

5.7. A sale shall not be invalidated by reason of any fault or defect in a Lot.

5.8. A sale shall not be invalidated by reason of a Lot being incorrectly described in a catalogue, on the Website or elsewhere.

5.9. The Seller and/or Auctioneer are not liable to pay compensation to a Buyer for any fault, defect, error or misdescription in a Lot or part thereof or for any missing parts, genuineness or quality issues.

### **Work Health and Safety Obligations**

- 5.10. Legislation imposes obligations, such as providing and maintaining a safe work environment and preventing exposure to and protection from hazards on persons who use or operate Plant & Equipment in a workplace and on employers whose employees use or operate Plant & Equipment. If the Buyer intends to use Plant & Equipment purchased at an Auction, at a workplace then it is the responsibility of the Buyer to inform themselves of these obligations.
- 5.11. Legislation imposes obligations on the Seller and the Auctioneer to provide information on the purpose for which the Lot was designed or manufactured (including registration of the design or registration of the Lot) and the condition of the Lot, including any faults, and for these purposes the Auctioneer relies on information provided by the Seller for compliance with the requirements of the Legislation.
- 5.12. Unless otherwise stated by the Auctioneer in the form of information provided in conjunction with a Lot, no Lot, including any item of Plant & Equipment, sold at an Auction has been assessed or inspected by a competent person and it may or may not be registered (whether as to design or otherwise) or affected by faults or defects, which make it unsafe for use. It is the responsibility of the Buyer to ensure assessment and inspection by a competent person and any issues associated with registration.
- 5.13. The Buyer is warned the items not previously assessed or inspected by a competent person or accompanied by information of the nature described in Condition 5.11, are sold for scrap or spare parts only and in their current form are not to be used as plant.
- 5.14. Legislation requires owners of Plant & Equipment maintain safety and health information and records. The Auctioneer will pass on to the Buyer all information made available to them by the Seller but this may not be all of the information or records required and the Auctioneer makes no warranty about the information being accurate, up to date, complete or compliant. Where no such safety and health information and/or records are available, no liability for their absence is assumed by the Auctioneer. It is the responsibility of the Buyer to ensure the Buyer seeks to ascertain the safety and health information and/or records.

### **Computers**

- 5.15. Unless specifically provided, any sale of computer equipment at an Auction is intended to be the sale of Hardware only.
- 5.16. If the sale of any computer equipment includes Software, the Software may be subject to a Software licence agreement. A copy of this agreement may be obtained from the computer manufacturer or possibly the Seller.
- 5.17. If the Software is not capable of being assigned with the Hardware, the Buyer acknowledges any use of the Software may be a breach of the Software licence agreement.
- 5.18. If the Software is capable of being assigned with the Hardware, the Buyer agrees:
- (a) they are bound by terms and conditions of Software licence agreement;
  - (b) those conditions may restrict the use of the Software; and
  - (c) the Buyer is responsible to attend to any requirements, terms and conditions necessary to obtain an assignment of the Software licence.

### **Liquor**

- 5.19. You acknowledge, under the *Liquor Control Act 1988* (WA), it is an offence to sell or supply liquor to a person under the age of 18 years, or for a person under the age of 18 years to purchase, or attempt to purchase, liquor.
- 5.20. You must be above the age of 18 to purchase liquor at an Auction. The Auctioneer reserves the right to require Bidders to provide an approved identification (such as a Western Australian Driver's Licence, Proof

- 5.22. You accept full responsibility in satisfying yourself with the Lot prior to bidding. If you are in doubt, you should not bid on a Lot as no returns or refunds will be made or allowed to Bidders by the Auctioneer.

## **6. AUCTIONEER AND SELLERS RIGHTS**

- 6.1. The Auctioneer and the Seller reserve the following rights, which may be exercised by the Auctioneer in its absolute discretion without providing any reason:
  - (a) to not offer for sale any Lot or part of any Lot described in a catalogue or on the Website;
  - (b) to offer two or more of the Lots or part of any Lot described in a catalogue or on the Website as separate Lots for sale together as one Lot. Unless indicated otherwise, items in a Lot are not divisible and must be bid on collectively;
  - (c) if any Lots referred to in (b) are not sold to a successful bidder the Auctioneer may offer those lots as separate Lots;
  - (d) to withdraw any Lot from sale;
  - (e) to refuse to accept a bid from any person;
  - (f) to refuse admission or to eject from the Auction Site, including an Online Auction, any person;
  - (g) to refuse to accept any bid for a Lot being less than the Minimum Increment;

    - (i) to appropriate any monies received from that Buyer in satisfaction or partial satisfaction of the purchase price due for any one or more of such Lots to the total or partial exclusion of amounts due for any other Lot as the Auctioneer shall see fit; and
    - (ii) to elect at any time to treat the contract for the sale of each Lot as independent with each other and default under any such contract shall be default under all such contracts;
  - (j) to bid on behalf of any prospective Buyer with or without disclosure as authorised by the Act;
  - (k) if any Lot is not sold at the auction to offer to sell the same immediately after the auction by private sale but otherwise subject to these Conditions;
  - (l) to permit the Seller to make one or more bids for any Lot as authorised by the Act; and

- 6.2. The Auctioneer reserves the right to add to or vary the Conditions for any specific Auction by notice to Bidders at the Auction, including for any Online Auction by including terms or variations on the Website.

## **7. BIDDING**

- 7.1. A bid by a person shall be deemed as:
  - (a) proof the person has acquainted themselves with these Conditions and is satisfied with the condition of and all other information relating to the sale of the Lot; and
  - (b) the intention by that person to enter into a legally binding agreement to purchase the Lot at that price.
- 7.2. If the Auctioneer accepts your bid, you are obligated to complete the transaction as accepted by the Auctioneer including payment of the purchase price and any other monies payable.

- 7.3. Subject to any Reserve Price (which may be removed or introduced at any time by the Auctioneer in its sole and absolute discretion and which will generally not be revealed), the highest Bidder for each Lot at any Auction shall be the Buyer.
- 7.4. If you bid on a Lot and the Reserve Price is not met, the Auctioneer may (but is not obligated to) contact you with an offer to enter into further negotiations for the sale of the Lot to you.
- 7.5. Subject to Condition 4 for Online Auctions, the entry of the Buyers name in the record or book kept by the Auctioneer (which may be contained through the Website), shall be binding upon the Buyer and such record or book, together with these Conditions, shall constitute the whole of the contract between the Auctioneer and the Buyer and as between the Buyer and the Seller.

#### **Online Bidding**

- 7.6. Any time period or timing mechanism shown or referred on the Website, refers to the Auctioneer's time, which is approximate to but may vary slightly from current official times and time periods in Western Australia.
- 7.7. To be able to bid on a Lot you must first provide the Auctioneer with the requested details for a credit card acceptable to the Auctioneer together with your authority for the Auctioneer to charge a specified amount to this credit card, as a part of your application for an Account and to become a Member.
- 7.8. Once you have submitted a bid to purchase any Lot, it cannot be retracted and you cannot lower your bid.
- 7.9. Bids will take priority over other bids in an Online Auction (whether by itself or in conjunction with or as part of a physical Auction) in the following order of precedence: 1. highest bid price; then 2. highest bid quantity (where relevant); and then 3. earliest time bid is received by the Auctioneer.
- 7.10. Where there are multiple items or quantities in a Lot and a bidding page for the Online Auction allows you to specify a quantity, you may not lower your bid quantity until your existing highest bid is exceeded by another Bidder. However, if you are not the highest Bidder for the entire quantity you bid on but are the highest Bidder for a lesser quantity then the Auctioneer will recognise you as the winning Bidder and Buyer for that lesser quantity.

#### **Absentee Bids**

- 7.11. If the Auctioneer may allow absentee bids to be made for a traditional Auction it will be necessary to complete the forms required by the Auctioneer to the satisfaction of the Auctioneer.
- 7.12. If you wish to make an absentee bid for an Online Auction this may only be done through your Account as a Member and following the procedures specified on the Website by the Auctioneer for an Auto Bid.
- 7.13. Absentee Bidders agree to be bound by these Conditions, and acknowledge whilst every care is taken in executing absentee bids and written instructions, the Auctioneer accepts no responsibility for errors.
- 7.14. If you complete the necessary absentee forms or use Auto Bid you acknowledge:
  - (a) these represent your irrevocable offer to purchase the applicable Lot at (or below) the highest bid amount designated by you and such offer may not be cancelled or retracted by you after submission. If you are the highest Bidder you are obligated to complete the purchase transaction;
  - (b) for your convenience, the Auctioneer automatically sets each of your next bid amounts by adding the greater of the applicable Minimum Increment and such other amount you manually prescribe, to the current bid amount; and
  - (c) your authority for the Auctioneer to charge the sum of \$1,000 to your credit card as a deposit in auctions for vehicles. If you are not the successful bidder the Auctioneer will refund this amount to you as soon as reasonably practicable.

#### **Anti Snipe Feature**

- 7.15. All Auctions which are Online Auctions only with a time limitation have an 'anti snipe' feature which means that, if a bid is made within 5 minutes of close, the bidding time will be extended by 5 minutes. This is to reduce instances where Bidders 'snipe' during the last minute of an Online Auction.

**Dispute as to Bid**

- 7.16. If a dispute arises as to any bid, the Auctioneer shall, in our absolute discretion, either determine the dispute immediately or resume the bidding at the last undisputed bid. A dispute may only be raised by the Bidder prior to the Auctioneer accepting the highest bid on the fall of the hammer or the Online Auction equivalent.

**8. BUYERS PREMIUM**

All Lots purchased are subject to a Buyer's Premium and the Buyer agrees to pay the Buyer's Premium. The Buyer's Premium will be payable at the same time as the purchase price and is payable to the Auctioneer in consideration for services and facilities provided to the Buyer by the Auctioneer.

**9. GOODS AND SERVICES TAX**

Unless otherwise stated by the Auctioneer in writing, GST will be added to the purchase price, Buyers Premium and all other monies payable by the Buyer, and such GST will payable by the Buyer to the Auctioneer.

- (a) the purchase price for the Lot; and
  - (b) any Buyers Premium,
- by way of cash, EFTPOS or bank cheque or, if agreed by the Auctioneer, by way of Visa or Mastercard (which shall be subject to a 1% fee).
- 10.2. If a Buyer fails to pay the deposit the Auctioneer may put the Lot up for bidding and resale, and the defaulting Buyer's bid shall not be taken again at the resale.
- 10.3. If the resale price is lower than the price obtained on the first sale the difference in price shall be an amount recoverable from the defaulting Buyer by the Auctioneer and/or Seller as a debt immediately due and payable by the defaulting Buyer.

**Payment**

- 10.4. In addition to the deposit, within the timeframe specified by the Auctioneer, verbally or otherwise, which may include a time prior to the end of the Auction, or if no such timeframe is specified by the Auctioneer then within 24 hours of successful bidding, the Buyer shall pay to the Auctioneer the full purchase price for the Lot including any applicable government tax or impost, Buyers Premium, GST and credit card charges, if relevant.
- 10.5. All moneys shall be paid by way of cash, EFTPOS or bank cheque or if agreed by the Auctioneer by way of Visa or Mastercard (which shall be subject to a 1% fee).

- 10.7. The Auctioneer and the Seller reserve the right to restrict or prohibit access to the Lot prior to the Lot being paid in full.
- 10.8. Title to the Lot shall not pass to the Buyer until all funds and cheques are cleared by the Auctioneer's bank.

**Payment – Online Auction**

- 10.9. The Website utilises an automatic payment system, and once an Online Auction has closed, all sales under \$2000 will be deducted directly from the credit card which the Buyer has linked to their Account.
  - 10.10. If a sale of a Lot is above \$2000, a deposit of \$1000 will be automatically deducted from the Buyer's nominated credit card and the Buyer must pay the balance of their payment through the 'member tools' area on the Website, which can be done by way of direct deposit or credit card, or in person at the Auctioneer's Welshpool branch.
  - 10.11. If a credit card linked to your Account has insufficient credit to pay any outstanding amount owed in connection with a Lot, then you hereby authorise the Auctioneer to debit the maximum amount possible from a credit card linked to your Account, and to repeatedly debit further amounts from a credit card linked to your account for unpaid amounts.
  - 10.12. All payments must be completed within 1 business day after the close of the Online Auction.
- 11. LOTS AT BUYERS RISK**
- 11.1. From the fall of the hammer each Lot is at the Buyer's risk.
  - 11.2. The Auctioneer and the Seller will not be liable for any deficiency, damage or Loss which may occur thereafter and it is recommended insurance be taken out by the Buyer at the fall of the hammer to cover any Loss.

    - (a) determine whether you will be in a position to collect the Lot if you are the winning Bidder; and
    - (b) ensure you are familiar with all procedures, timeframes, risks and costs associated with collection of the Lot.
  - 12.2. At the Buyers own cost the Buyer shall remove the Lot from the Auction Site, Auctioneer's or Seller's premises (as appropriate), during the hours of day permitted by the Auctioneer, and within the timeframe specified by the Auctioneer or by no later than 4 p.m. on the next business day following the sale, whichever is the later.
  - 12.3. The Buyer shall not remove a Lot during an Auction unless authorised by the Auctioneer.
  - 12.4. The Buyer is fully responsible for the expense and risk of the removal of a Lot and for any damage to property or injury to persons caused by the Buyer, their agents or employees that occurs during the removal of a Lot.
  - 12.5. A Lot or any part thereof which a Buyer does not remove within the timeframe specified in Condition 12.2 may thereafter be moved or removed by a party engaged by the Auctioneer and stored at the Auction Site or elsewhere, at the absolute discretion of the Auctioneer.
  - 12.6. The moving, removal and storage (including fees charged by the Auctioneer or Seller for storage on their premises or elsewhere) shall be deemed to be made at the request of the Buyer and all costs incurred or charged by the Auctioneer and/or Seller, shall be recoverable by the Auctioneer and/or Seller as a debt immediately due and payable by the Buyer.
  - 12.7. The Auctioneer will not be responsible for any Loss or damage due to removal or storage by the Auctioneer or the Seller.
  - 12.8. The Buyer will not be entitled to remove or collect the Lot until all fees are paid.
  - 12.9. The rights granted to the Auctioneer and Seller in this clause are in addition to and not in substitution for the rights set below in Condition 13 Buyer's Default.
  - 12.10. If the Buyer fails to remove a Lot purchased by it after 7 business days from the date of sale, the Auctioneer may resell the Lot to recover any outstanding fees owed by the Buyer.

If the Buyer fails to comply with any of these Conditions, the deposit and any additional monies paid shall be forfeited without notice to the Buyer by the Auctioneer and the Lot for which the default has been made may be resold by public or private sale or disposed of, if the Auctioneer determines it is no longer of commercial value.
- 13.2. The defaulting Buyer shall pay all the expenses arising from the default including the cost of any removal, storage, warehousing, advertising, commission and resale.
- 13.3. If the price obtained on the resale is lower than the price obtained at the original sale, the difference in price may be recovered by the Auctioneer and/or Seller as a debt immediately due and payable by the Buyer.
- 13.4. The Auctioneer is also entitled to recover from the Buyer:
- (a) a sum for expenses and charges incurred by the Auctioneer in connection with or incidental to the resale;
