

# "Elusive"

## 2009 Monte Fino 80

This stunning 80 Monte Fino has just been commissioned and ready for cruising. Her enormous fly bridge and helm station come complete with air-con, TV, Foxtel, ice maker, freezer, fridge, wet bar and sink and is the ideal area for outdoor entertaining.

The twin 1300hp MAN engines produce a top speed of 23 knots. Hydraulic bow and stern thruster and remote handsets make docking this vessel an absolute pleasure.

Accommodation for 8 guests in 3 double cabins, 1 twin and 2 crew aft makes for a comfortable holiday away with the family or friends.

**EXPRESSIONS OF INTEREST WELCOMED**

---

**Luxury Yachting, Luxury Lifestyle**

### **PRINCIPAL DIMENSION**

Length overall	79' 4"	24.25m
Beam	19'	5.79m
Draft	3' 7"	1.09m
Fuel Capacity	8500 Lts	
Water Capacity	1500 Lts	

### **ENGINE AND DRIVE TRAIN**

Twin MAN 1300HP Diesel engines with ZF gearbox  
Fresh water cooled engine  
Dual racor fuel filter and water separator for engines  
Underwater exhaust with idle by-pass  
Engine alarm for low oil pressure and high temperature

### **ENGINE ROOM**

Well planned engine room  
Fibreglass bonded to hull engine beds with engine load  
Distributed on black mild steel channels for strength and watertight bulkheads  
Sound and heat insulation – Bulkhead (2 layers) and ceiling  
White aluminium perforated insulation panels in engine room  
White FRP floor plates  
Delta – T engine room ventilation system with extractor fans and moisture eliminators at side of superstructure  
Freshwater fill hose for engines and generators  
KSE STD engine room door  
Safety rails around twin engines  
Duplex receptacles  
AC fluorescent lights, DC lights

### **HULL & DECK CONSTRUCTION**

Hand laid GRP construction  
Two layer vinyl ester resin in hull bottom skin coat  
Solid fibreglass hull bottom  
Hull incorporate propeller tunnels for improving propulsive efficiency and reduce draft  
V-Shaped keel with longitudinal stringers  
Extended keel to protect propellers and strong enough to support boat  
Stringer with foam cored reinforcement  
Hull stiffened with longitudinal stringers supported by transverse bulkheads and decks  
Resin-infused composite construction using foam core with layers of fibreglass laminate for all main bulkhead and decks  
Foam cored sandwich deck construction for strength  
Hull side and superstructure laminated with foam core  
Ferro or equivalent white gel coat  
Hull anti fouled with international gel shield x 2 + middle layer prima x 1 + bottom paint x 2  
Rudder plate anti fouled , Anti foul shaft and treat propeller  
Teak side decks, foredeck and aft deck

## **HULL AND DECK FITTINGS**

All exterior fittings and hardware in stainless steel  
Stainless steel open able portholes custom recessed  
Stainless steel flag pole on bow rail  
Two hawse and bollard for fore deck, one on each side  
Two hawse and cross cleat for mid ship, two each side  
Two corner hawse with rollers for aft deck  
Two 14" fix cleat for bathing platform, one each side  
Fuel and fresh water deck fillers  
Fresh water deck wash points one in aft deck and one in anchor  
Locker and one in fly bridge  
Sea water deck wash point in anchor locker  
KSE standard hi quality stainless steel door hinges and Courtesy lights for exterior stairways  
Two deck light at bow  
Palagi or equivalent exterior ceiling lights  
Aqua signal or equivalent navigation lights  
Hella model 90615 or equivalent flush mounted docking light x 2 on aft deck ceiling  
Kahlenberg or equivalent dual chrome electric horn  
Bow storage locker with stainless steel handle  
Manship or equivalent escape hatch for forward cabin  
Bow seat with cushion  
Sun bed with cushion at bow  
Additional half oval stainless steel rub rails for hull with rub rails extended from swim deck to the aft bulkhead of engine room  
Custom stainless steel bow protective plate

## **ANCHOR, MOORING AND TENDER EQUIPMENT**

Electrical forward launch single anchor system  
Muire HR400 DC 12/24V Windlass with foot switch at bow deck  
Windlass foot switch at bow  
Windlass remote at fly bridge helm  
Upgrade to 250lbs stainless steel anchor  
300ft BBB anchor chain x 5/8"  
Chain roller and chain stop  
Anchor locker with partition for chain and line stowage  
Freeman watertight anchor locker hatch x 1  
Aritex HSC 600 dinghy davit with hydraulic rotation (600kgs lift)

### **STERN GEAR**

Heavy duty stainless steel SUS630 Shafts  
Bronze 1 type shaft struts  
Hi quality shaft bearing  
Hi quality Shaft log seal  
Stainless steel rudder  
Rudder stock  
Hi quality rudder stock bearing  
FRP stern tube  
4 blade nickel aluminium bronze propellers  
Cathodic bonding system to zinc anodes for shaft and rudder

### **STEERING SYSTEM**

Teleflex or equivalent hydraulic power steering system  
Emergency tiller  
Glendinning electronic engine control with backup system for fly bridge helm  
Glendinning remote engine control in aft deck locker bennet trim tab with control at helm stations

### **STABILIZER AND THRUSTER SYSTEM**

Naiad bow and stern hydraulic thrusters and stabilizers

### **FUEL SYSTEM**

A total of 8500 Litres for fuel capacity in aluminium fuel tanks  
Mainfold for fuel management  
USCG – A2 Compliant fuel pipe  
Deck fills for all fuel tanks  
Fuel sight gauges  
Wema or equivalent electrical fuel gauges at main helm

### **BILGE SYSTEM**

(6) Automatic rule 3700 24V electric bilge pump with manual floating switches to each compartment  
High water level alarm for each compartment with indicator on boat indicator panel  
Manual bilge pump x 1 in engine room  
DC lights to all bilge area

### **SEAWATER SYSTEM**

High quality sea water strainers for all sea water inlets  
Sea cocks to all underwater fittings  
Bronze through hull fittings  
Groco PJR or equivalent deck wash down pump with outlets at chain lockers and aft deck

## **ELECTRICAL SYSTEM**

220V 50HZ electrical system

Colour coded wiring for easy identification

(4) 200 AH wet cell batteries exclusively for engine start

(2) 120 AH wet cell batteries for generator start

(6) 200 AH wet cell batteries for domestic service

(2) 200 AH wet cell batteries for electrical anchor windlass

(2) 200 AH wet cell batteries for electrical bow thrusters

Enclosed acid-proof fibreglass batter box with cover and battery selector switches

Emergency battery coupling system permits each engine to start from opposite engine battery bank

24V / 30 AMP battery charger for engine start x 1

24V / 30 AMP battery charger for generator start x 1

24V / 80 AMP battery charger for ship power / service x 1

Engine alternators charge via diode system to isolate engine start batteries from domestic service

One set of ONAN e-QD 22.5 KW single phase generator with sound shield, racor filter, muffler and gas and water.

One set of ONAN e-QD 13.5 KW single phase generator with sound shield, racor filter, muffler and gals and water

Emergency battery coupling system permits each generator to start from opposite generator battery

Main electrical panel includes separate AC power control and AC circuit breaker panel

DC 12 / 24 Volt DC monitoring and main circuit breaker panel

32 – 12 – 50A 50 AMP converter DC 24V to DC 12V x 1

Boat indicator panel

Two shore power locker, each with (1) shore power inlet, (1) plug and (1) breaker supply by owner/ dealer

Two 20m Hubbell or equivalent shoer power cable

DC 24V lights throughout

Dolphin 24V / 80AMP AC to DC light transformer x 2

High quality Vimar light switch

High quality Vimar AC sockets

Add vibration mounts and damping under the stainless steel

Generator frame for all generators

## **FRESH WATER SYSTEM**

1500 Litres o fresh water in stainless steel water tank

Headhunter March 5 or equivalent AC fresh water pump x 1

Headhunter or equivalent DC fresh water pump x 1

Headhunter water pressure tank for fresh water system

Torrid 30 Gal hot water heater x 2

Water level sight gauges

Wema or equivalent electric gauge at galley

Kitec fresh water pipe line

City/ shore water inlet x 1

### **BLACK AND GREY WATER SYSTEM**

300 Litres of FRP holding tank with indicator at main electrical panel  
Macerator pump for holding tank  
Y valve for dockside pump out from holding tank  
Direct deck discharge for holding tank  
Holding tank level gauge  
Tecma silence standard bowel DC 12 /24V electrical toilet with control panels for all 4 heads  
Rule 2000 DC 24V or equivalent sump pumps in independent sump  
Independent fibreglass sump tank with tinted clear cover and inspection hatch x 3

### **AIR CONDITIONING AND HEATING SYSTEM**

Cruise air or equivalent direct expansion DX / remote air condition system (total capacity 70000 BTU)  
Digital control to all air handler

### **EMERGENCY AND FIRE FIGHTING EQUIPMENT**

Smoke detectors and alarm system  
Seafire FM 200 fire extinguisher system with manual release outside of engine room

### **FLY BRIDGE**

Portner white helm chair with stainless steel pedestal x 3  
Fibreglass table with adjustable stainless steel pedestal  
Wetbar with sink, hot and cold water supply and storage  
Tundra AC and DC refrigerator in wet bar x 1  
U-Line BI-95 ice maker x 1  
Freezer x 1  
Fibreglass hard top with dimmable lighting  
Hargrave style radar FRP radar arch  
Stainless steel anchor lights bracket  
Lexan tinted windscreen with stainless steel supports  
Standard FRP stairway to access flybridge from aft deck  
Aritex sliding hatch with tinted glass  
Stainless steel safety rail around sliding hatch  
1 ½" round type handrail with 1 ¼" stanchions for fly bridge  
Teak aft flag pole  
Non skid fly bridge deck  
(1) Sanshin high power search light with (2) remote controls  
Lower level fly bridge lighting  
Furniture cover  
(2) Jabsco or equivalent DC 24V flood light on hard top

### **FLY BRIDGE HELM**

Instrument consol  
Hydraulic power steering  
High quality steering wheel  
Engine instrumentation  
Electronic engine control  
Thrusters control  
Trim tab control  
Windlass control  
Horn control  
Search light control  
Navigation lights switches  
Boat indicator panel with warning lights for anchor lights  
Bilge pumps and engine room fans  
Sea fire, fire extinguisher alarm and test panel  
Bilge pump warning lights and audible alarms  
Danforth 5" magnetic compass or equivalent (south fuel gauges)  
Car stereo CD with watertight cover and 2 speakers  
Raymarine ST60 Displays for ship speed and depth  
Raymarine ST60 Rudder system with display  
Raymarine Ray E42002 240E or equivalent VHF Marine Radio x 1  
Install owner supplied navigation and communication system  
Anchor chain counter x 1

### **AFT DECK**

Self draining aft deck  
Teak aft deck table with slider on stainless steel pedestal  
Fibreglass bench seating with cushion and cover  
Storage under fibreglass bench seating  
Wet bar with sink and storage  
Tundra T42 or equivalent AC and DC fridge in the wet bar  
1 sea water outlet inside wetbar  
1 fresh water outlet inside wetbar  
Fibreglass boarding gate at port and starboard side of aft deck  
Dual fibreglass steps, port and starboard, to swim platform with teak steps and lights  
Stainless steel grab rail on each transom wing  
Dual stainless steel transom gate from aft deck to bathing/ swim platform with MF sign  
Third engine and thrusters controls in built in locker  
Overhead lighting  
2 speakers connect to audio system in main salon  
Storage for 2 boat hook  
Boat hook x 2

### **SWIM / BATHING PLATFORM**

Non skid finish bathing platform  
Built in shower cabinet with hot and cold water hand – held  
Built in locker housing shore power inlets  
Dockside television and phone inlets  
Watertight door to aft crew and engine room  
Freeman access to hatches to rudder compartment  
Pull out swimming ladder inside built in locker  
(7) 2"U shape stainless steel 316 alloy guard rails

### **INTERIOR FURNISHINGS GENERAL**

Wood veneer  
Push / pull german latches  
Italian door handles  
Indirect rope lighting to valances in all common area

### **FORWARD DINETTE AREA**

Wood veneer or selected white vinyl wall panelling and storage cabinets with varnished veneer top  
Storage cabinets with varnished veneer top  
Wooden table with varnished veneer top x 1  
Leather sofa  
Clear tempered and safety glass forward windscreen  
Curtains and blinds  
White vinyl headliner panel with lights  
Vimar light switches  
AC power sockets  
Stairway to access lower guest accommodation area with step lights and handrail  
2 opening doors to side deck  
Master electric control panel with AC and DC circuit  
Generator remote start/stop  
Fire and smoke detection monitoring panel  
Holding tank indicator

### **GALLEY**

Wall panelling  
Storage cabinets with drawers and overhead lockers  
Lacquered wood veneer door for storage cabinets and over head lockers  
granite work top and splash back  
Stainless steel galley sink, Grohe euro plus sink faucet  
Cook top and Hood  
Credit standard refrigerator  
Microwave  
White vinyl headliner panel with overhead lights  
Vimar light switches  
AC power sockets  
Wema fresh water level gauge

## **MAIN SALOON**

Panelling

Storage cabinets with varnished veneer top

Television cabinet with aritex television lift

Cocktail cabinet with glass doors and Perspex shelving

Custom leather sofa with storage

2 coffee tables

6 seater dining table with chairs

Carpet floor

Side windows

Manual sliding door with stainless steel frame

Custom soffit ceiling

White vinyl headliner panel with overhead lights

Low level rope lighting behind salon valances, port and starboard vimar light switches

AC power sockets

Install owner supplied television and stereo system

## **LOWER FOYER**

Direct access from main deck forward dinette area

Panelling

Carpet floor

White vinyl headliner panel with overhead lights

Vinmar light switches

## **MASTER STATEROOM**

Panelling

Storage cabinet with drawers and lacquered wood veneer

Large double bed with foam mattress, pillows and bedspread

Upholstered headboard

Storage under bed

Night stand with drawers and lacquered wood veneer top

Reading lamps

Dressing table with mirror

Stool

Two seat sofa

Cedar lined wardrobe with light

Carpet floor

Porthole with curtains or blinds

Soffit ceiling with recessed lights above bed

White vinyl headliner panel with overhead lights

AC power sockets

Television and stereo system

### **PORT STATEROOM**

Twin bed with foam mattress, pillows and bedspread  
Upholstered headboard  
1 Pullman bunk with foam mattress, pillow and bedspread  
Storage under bed  
Night stand with drawers and lacquered wood veneer top  
Reading lamp  
Cedar lined wardrobe with light  
Carpet floor  
Porthole with curtains or blinds  
White vinyl headliner panel with overhead lights  
Vimar light switches  
AC power sockets  
Television and stereo system

### **PORT STATEROOM / DAY BATHROOM**

Direct access from port stateroom and lower foyer  
Storage cabinet with mirror  
Washbasin  
Mirror headliner panel  
Glass holder x 2  
Towel rail  
Tecma toilet  
Extractor fan  
Vimar light switches  
AC power sockets  
Walk in shower  
White painted lacquered shower stall  
Shower bench  
Ital folding shower door

### **CREWS CABIN**

Upper and lower bunk with foam mattress, pillows and storage under bed  
Reading lamp  
Cedar lined wardrobe with light  
Synthetic teak with white inlays floor  
Porthole with curtains or blinds  
White vinyl headliner panel with overhead lights  
Vimar light switches  
AC power sockets  
Television and stereo system

### **MASTER BATHROOM**

Direct access from master stateroom  
Panelling bulkhead  
Storage cabinet with mirror  
Washbasin  
Grohe euro plus sink faucet  
Porthole with curtains or blinds  
Mirror headliner panel  
Glass holder x 2  
Towerl rail x 1  
Tecma Toilet  
Extractor Fan  
Vinmar light switches  
AC power sockets  
Walk in shower  
Grohe euro plus or equivalent shower seat  
White painted lacquered shower stall  
Frameless glass shower door

### **VIP STATEROOM**

Storage cabinet with drawers and lacquered wood veneer  
Large double bed with foam mattress, pillows and bedspread, Upholstered headboard  
Storage under bed  
Night stand with drawers and lacquered wood veneer top  
Reading lamps  
Cedar lined wardrobe with light  
Carpet floor  
Porthole with curtains or blinds  
Soffit ceiling with recessed lights above bed  
White vinyl headliner panel with overhead lights  
Vimar light switches  
AC power sockets  
Television and stereo system

### **VIP BATHROOM**

Direct access from VIP stateroom  
Storage cabinet with mirror, Washbasin  
Porthole with curtains or blinds  
Mirror headliner panel  
Glass holder x 2  
Towel rail  
Tecma toilet  
Extractor fan  
Vimar light switches  
AC power sockets  
Walk in shower with shower seat, bench and glass shower door

### **CREW BATHROOM**

Direct access from crew cabin  
White Formica panelling, bulkhead and cabinets  
Storage cabinet with mirror  
Washbasin  
Teak frate floor  
Boeing headliner panel  
Tecma toilet  
Extractor fan  
AC power sockets

### **LAUNDRY AND STORAGE AREA**

Synthetic teak with white inlays floor  
White vinyl headliner panel with overhead lights  
Miele Washer and drying machines

### **OTHER**

Dockside shore television / telephone connection  
Intercom to fly bridge helm, salon, engine room and all cabins with telephone shore connection  
CCTV system include 3 AV4381 colour camera with fixed bracket two for engine room and one for salon .  
Vk-C7031 Dome camera for aft deck and one camera switch  
Main deck front wind screen cover  
Fly screen for all open able porthole  
2 stainless steel Monte Fino sign one each side

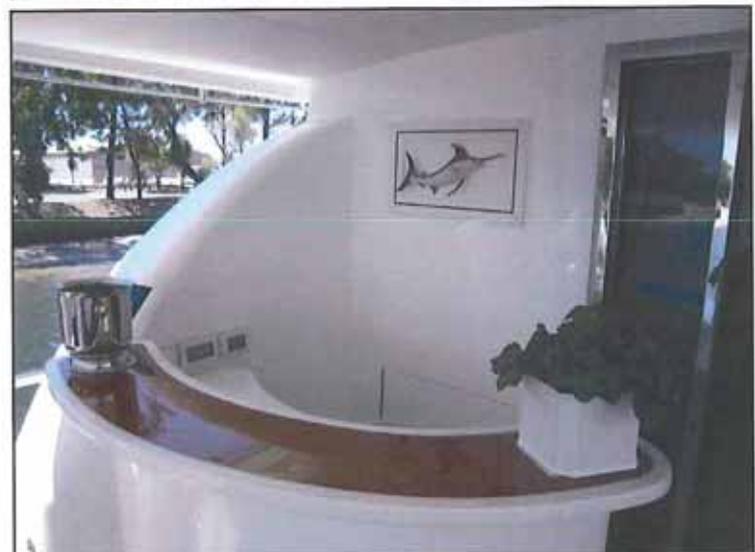

Large boarding platform with deck storage, BBQ, Swim ladder, shower, entry to spacious crew & engine room. Port and starboard steps to aft deck.

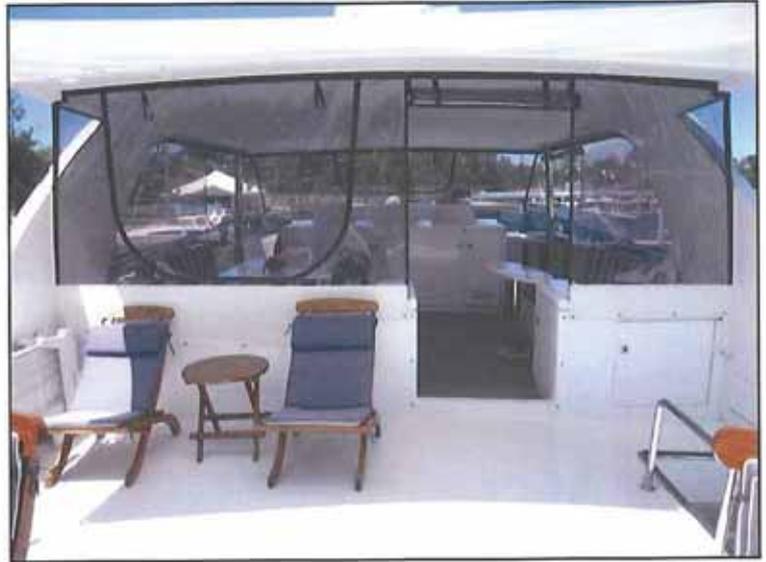

The aft deck, one of many comfortable dining areas.

Port side aft deck bar fridge and services.

The fly bridge on Elusive is second to none. This area is enormous. Fully enclosed with Clears and 360 degree views makes it the Perfect place to relax or entertain. Air conditioning, foxtel, fridge, ice maker, Freezer and sink.

Flybridge dining or just kick back and watch TV

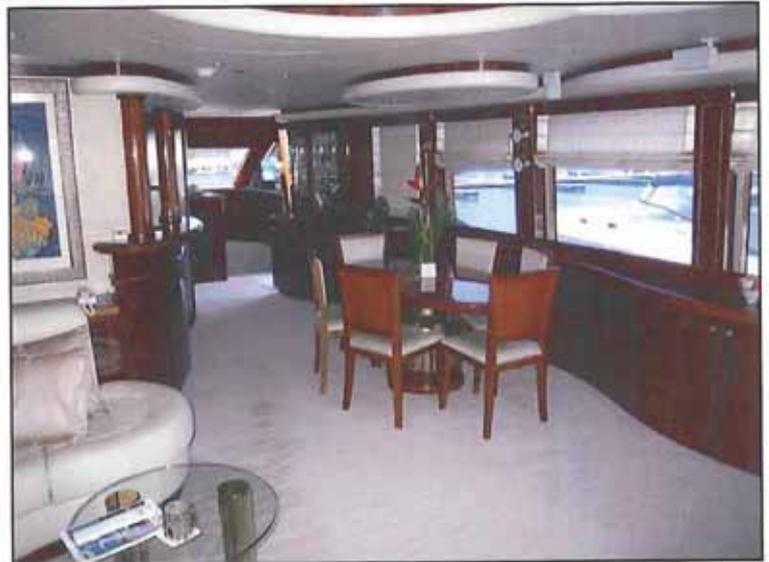

Main helm station is well laid out with everything at your fingertips. Electric controls, hydraulic bow and stern thrusters and two station hand held remote controls make docking this 80 footer a joy.

The beautifully appointed salon with facing Lounges is yet another great location to Spend your time.

Main salon flowing down to the formal dining area.

An extremely well equipped galley to make any chef happy.

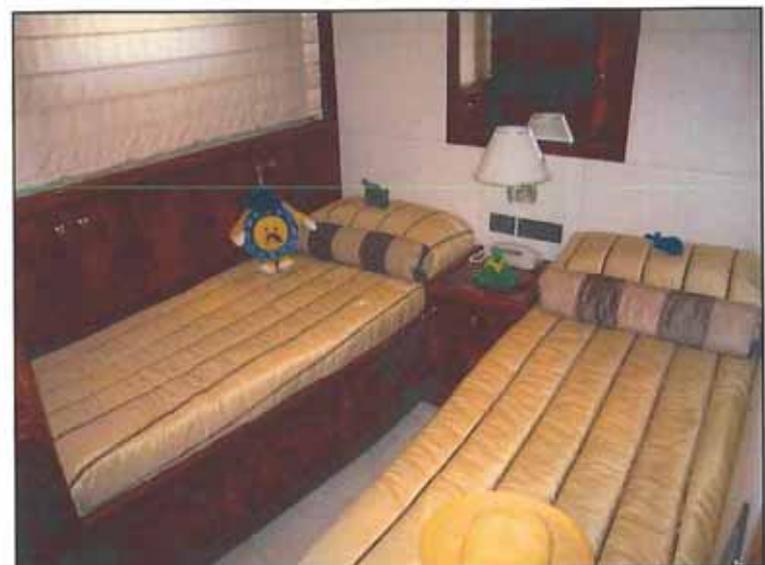

Looking through from the galley to forward Sun lounge, office station or breakfast dinet

Below companion way to all accommodation.

Port side twin accommodation.  
All cabinets have individual air con and entertainment systems.

VIP Queen guest accommodation with ensuite facility

Master stateroom is full beam with large oval port holes which provide warmth and natural Light.

All ensuites onboard are well appointed and very spacious.
